Abiding to bear much and lasting fruit

In John 15, Scripture reminds us that true fruitfulness is never the result of our own strength, but of our continual abiding in Christ through His Word, prayer, and faithful obedience. This is a timely reminder for all who serve the Lord: our greatest calling is be with Jesus and become like Him. As we abide in Him, He shapes our character, empowers our witness, and enables our ministry to bear much and lasting fruit that brings glory to the Father.

While we continue to labour faithfully towards the goals God has entrusted to us this year and prayerfully prepare for 2027, may our greatest priority be to remain deeply rooted in Him, trusting that He will accomplish His purposes through us for the blessing of many.

We also are at the midpoint of implementing the SUK 2024–2028 Strategic Plan. Pray with us as we undertake a midterm review to celebrate God's faithfulness, reflect on the lessons learned, and refine our path forward. We are confident that the Lord who has led us thus far will continue to guide and empower us to faithfully accomplish the remaining years of the plan.

Your continued support makes all these possible.

Thank you and every Blessing in Christ Jesus.

With sincere appreciation,

Ezekiel Baraza,

National Director.

ABOUT US

Scripture Union of Kenya is a child-focused Christian ministry nurturing a generation of Christ-like children. We partner with churches, authors, schools, and families to provide transformative Biblical formation and spiritual support. Through strategic collaborations and the provision of trusted Christian resources, we create environments where children grow in faith, character, and purpose becoming lights in their communities and beyond.

Vision

*Christ-like Children
Lighting the World*

Mission

We promote holistic and transformative Bible engagement among children

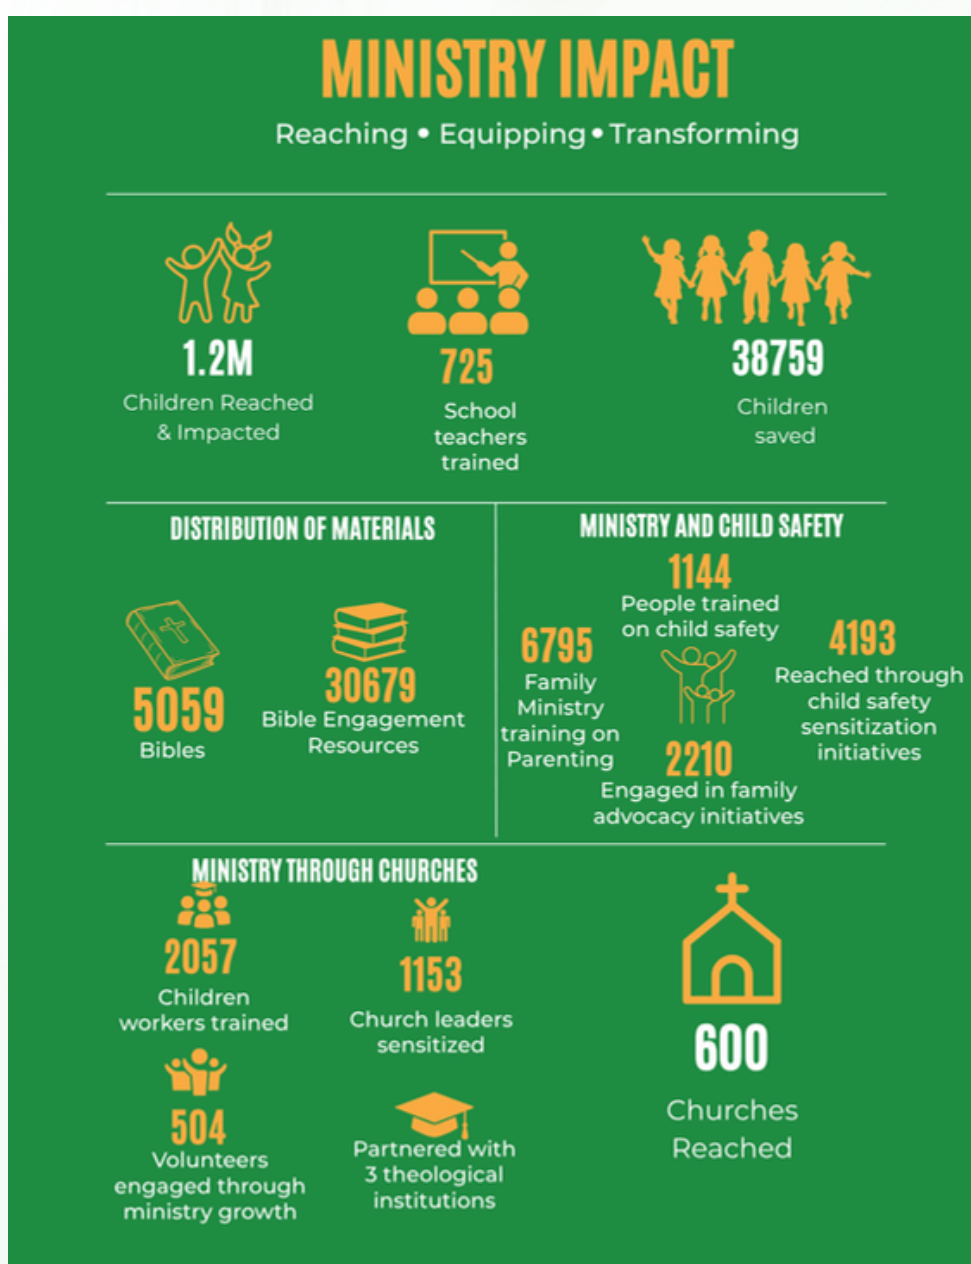

Core Values

- Love.
- Integrity.
- God's Word.
- Heroism.
- Team work.

MINISTRY IMPACT

This section celebrates the impact achieved through various ministry initiatives for the first half of 2026, focusing on Children, Family and Bible Ministry. Behind every achievement is a story of a life reached, families strengthened, a child protected or a heart drawn closer to God's Word. The first half of 2026 reflects a growing ripple of impact across communities, one that continues to expand as more lives are reached and transformed.

2026 MID-YEAR ACHIEVEMENT REPORT

Summary of Ministry achievements.

IMPACTING LIVES OF CHILDREN

The first half of 2026 has seen a beautiful shift in how lives are being reached and nurtured. 38,759 children gave their lives to Christ, and 31,027 were connected to discipleship materials through SUK and its partners, helping them take their next steps in faith. But the story goes beyond these numbers. More churches are embracing Programmes for Pastoral Instruction (PPI) and taking an active role in reaching children directly, creating pathways for continued discipleship. This reflects a core part of who we are as SUK - working with the churches

WALKING ALONGSIDE PARENTS TO RAISE CHRIST-LIKE CHILDREN

The family Ministry is gaining momentum as more people respond to the call to serve and walk alongside families. The growing number of volunteers is bringing fresh capacity, passion and presence to the ministry, allowing more families and communities to be reached.

Partnerships with World Vision, 410 Bridge, Global Peace Women and World Concern are expanding the possibilities for collaboration and impact. These connections are more than partnerships, they are shared commitments to see families strengthened, children protected and communities equipped to thrive. As more hands join the work and more doors open through collaboration, the Family Ministry continues to grow stronger and create lasting impact .

Pastor Jared Kataka speaking to 2354 parents at Kinyanjui Primary and comprehensive school on positive parenting

Across the region, churches, partners and volunteers are becoming key drivers of ministry reach. Their growing involvement is strengthening distribution, deepening partnerships and bringing resources closer to children and families. Beyond expanding impact, these local connections are also creating stronger pathways for sustainability, helping the ministry reach further and serve communities for the long term.

DIGITAL TRANSFORMATION

We are taking slow but steady steps into digital ministry, creating new ways to connect with children, families and ministry partners beyond physical spaces. The journey has begun through webinars and weekly Family Ministry reflections shared on social media, with plans underway to launch a podcast that will broaden these conversations. The next phase will focus on bringing more of our resources into digital spaces and developing online programmes in areas such as child protection, volunteer induction, Programmes for Pastoral Instructions (PPI) and other key ministry areas, making it easier for people to access, engage with and benefit from these resources wherever they are.

As we continue to expand our digital ministry and reach more people through online platforms, we invite you to partner with us in prayer and service. We are looking for passionate individuals who are willing to use their digital skills to advance the Gospel. If you have skills or an interest in photography, videography, video editing and writing, we would love to have you join our Digital Ministry Volunteer team.

Use your gifts to inspire, equip and point people to Christ. Pray with us. Serve with us. Create with us.

SUK's first and second term rallies brought together more than 3,000 children and over 150 Bible Club teachers, creating a vibrant space for faith, connection and celebration. For the children, it was an opportunity to encounter God's Word, share in fellowship and grow together, while the Bible Club teachers were encouraged and equipped to continue nurturing young lives. The gatherings were a joyful expression of a growing community united by a desire to see children know Christ and grow in Him.

PARTNERSHIPS

Across 2026, the power of partnership has continued to shape and expand the ministry's reach, creating new opportunities to serve children, families, and communities. We thank God for new doors that are opening as engagement continues with YouVersion, Bible Project, Songs for Saplings International and various Churches. Each relationship carries the possibility of reaching further, sharing resources and bringing fresh ideas to the ministry

PROMOTING BIBLE READING AMONG CHILDREN

Scripture Union Kenya (SUK) distributed over 3000 copies of the Jesus & Me devotionals to children aged 3–8 years.

Through this initiative, SUK continues to invest in nurturing children with God's Word, equipping them to build a strong biblical foundation and grow into lifelong followers of Christ within their families, churches and communities.

*Children from Kisharu Compassion receiving
Jesus & Me devotionals*

SUK seeks to leverage its growing network of churches, schools, Christian Unions and partnerships to expand the distribution of its publications and Bibles, taking God's Word into more homes, schools, churches and communities. At the heart of this effort is a simple but powerful desire to encourage children and families to connect with God through His Word. Every Bible placed in a child's hands, every publication shared with a family and every resource that opens a conversation about faith creates an opportunity for lives to encounter Scripture, grow in faith and discover the transforming power of God's Word.

FINANCIAL LITERACY FOR PARENTS AND CHILDREN

A new partnership with Enwealth Foundation is opening a pathway for families and communities to grow not only in faith but also in financial resilience. By combining Enwealth Foundation's expertise in financial education with SUK's reach through schools, churches and communities, practical financial knowledge can reach parents, children, teachers, Sunday school workers and community facilitators.

The National Director of Scripture Union Kenya and Director of Enwealth Foundation

The vision goes beyond teaching about money. It is about equipping families with the knowledge and confidence to make wise financial choices, build sustainable livelihoods, and face the future with greater resilience.

PRAYER FOR JULY TO DECEMBER

In the remaining part of the year we seek to achieve the following:

- Working with churches and like minded partners to train 2000 more Children workers to help reach an additional 2 Million children before the end of the year.
- Fun-filled and transformational holiday activities in November and December.
- Publish and distribute devotionals to at least 20,000 children and adults by December.
- Distribute at least 5000 Bibles.
- Reach an additional 3500 parents and equip them to raise Godly children.

By promoting our publications, Bibles, and ministry resources through churches, schools, communities and digital platforms, we can reach more people while generating income that supports the sustainability and growth of the ministry.

Growing up, I loved reading the book "God and Me". From the very first pages, I felt as though the words were speaking directly to me. The Bible stories were easy to read and applicable in day to day living as a child. The book gently guided me into a deeper understanding of my relationship with God as something real, personal and transformative. The book challenged me to grow spiritually and make the right choices in life. I became more intentional about prayer and more grateful for small blessings.

This is a must have for every household with children. Indeed as Proverbs 22:6 says, "Train up a child in the way he should go, And when he is old he will not depart from it."

Testimony on SU notes.

We cannot do this without your prayers, support, and partnership.

Be a Blessing, Join the Mission

Join us in advancing Christ's vision. You can partner with us by giving in kind, lifting us in prayer, sending words of encouragement, or supporting us financially. Every contribution, big or small, helps bring God's Word and hope to more lives. Be part of this mission today.
